BATHMORE, Sept. 11, 1851.

Messre. Mortimer & Mowbray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's Tincture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph K. Stapleton, eeq., an old and highly respectable citizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a failing state of health, but now a hearty, hale appearance, with the activity of youth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and am as active as I woat twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.

I do assert it is no humbug, but is, in reality, what it is represented to be by Dr. Hampton, the inventor.

A CLOUD OF WITNESSES.

We have certificates from Captain Canot, brother to the eminent physician to Louis Napoleon, President of the French republic, who was cured of Rheumatism of seven years standing; one from Robt. Gault, do., of seven years, one from Mr. Odham, Baltimore Custom-house, of a dreadful case of dyspepsia: one from Jno. Luke, of a case of dyspepsia and general debility; and one from J. K. Stapleton, esq., of Baltimore, with hundreds of others.

REV. VERNON ESKRIDGE, U. S. N.

Mr. J. E. Boush—Dear Sir: Whi.e I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in Dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am, respectfully, yours, VERNON ESKRIDGE, Chaplain in the U. S. Navy.

BANK OF METROPOLIS STOCK FOR Sale at the BANK OF THE UNION, mar 25—tf [News.] Browns Marble Building.

By A. GREEN, Auctioneer.

DEAUTIFUL, NEW, and Choice Propperty at Auction.—On Monday, the 24th inst., I shall sell, at 6 o'clock p. m., on the premises, a beautiful new six-story Brick Residence, situated on part of Lot No. 8, in Square No. 685, fronting 28 feet on North Capitol street, midway between the Capitol and new Railroad Depot, immediately opposite Gen. Washington's house, now occupied by Com. Wilkes. The above-described house is just finished, and no expense has been spared to make it of the most substactial kind. It has treble window frames front and back from top to bottom, and the best French thick-plate glass in the whole entire front, and a large portion of the back with Gothic cast-fron windows. Many of the rooms are large and lofty, from 19 by 6 to 34 by 6, and less. In front there is a 12-foot projecting porch, which can be ornamented by a railing, or continuous porch or balustrade. The building is surmounted with an observatory 14 by 22 feet, from which a fine view may be had of Yort Washington, Mount Vernon, and A exandria; also, the Upper Falls and surrounding District; the view is considered much better than that from the done of the United States Capitol. The carpenters' work was completed by Morsell, the best builder in this section of country. This location is in the centre of the city, and the most open, siry, convenient, and desirable of any portion of Washington.

After which will be sold the adjoining part of the Lot, about 27 feet front, on North Capitol street.

The sale will close by the sale of two Lots of 30 feet, which front on New Jersey avenue, in Square No. 630, immediately adjoining, on the north side of the Railroad Depot. This location—for hotely, stores, and other establishments—affords better openings for a business community than is at present known in the country, as there is now no city railroad depot in the world but has buildings, stores, boarding-houses, and hotels near to their place for the accommodation of the public, except in this city of Washington, where i By A. COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

CONSUMPTION.

TO CURE A COLD, WITH HEADACHE AND SORENESS OF THE BODY, take the Cheers Pectoral on going
to bed, and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, noon, and
evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this
trouble when they find it can be so readily cured. Persons
afflicted with a seated cough, which breaks them of their
rest at night, will find, by taking the Cheers Pectoral on
going to bed, they may be sure of sound, unbroken sleep,
and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are
thus afflicted, by this invaluable remedy.

From its agreeable effect in these cases, many find themselves unwilling to forego its use when the necessity for it
has ceased.

is ceased. From two eminent Physicians in FAYETTEVILLE, TENN.: April 16, 1851 Sir: We have given your CHERRY PECTORAL an extensive rial in our practice, and find it to surpass every other rem-dy we have for curing affections of the respiratory organs. DRS. DIEMER & HAMPTON. TO SINGERS AND PUBLIC SPEAKERS this remedy is

invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the sole

of the voice.

ASTHMA is generally much relieved, and often wholly cured, by Cherry Pictoral; but there are some cases so obstinate as to yield entirely to no medicine. Cherry Pictoral will cure them, if they can be cured.

BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pictoral in small and frequent doses. The uncomfortable oppression is seen relieved. in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Doctor LANSING, of BROCKLYN, New YORE, states:

"I have seen the Cherry Pectoral cure such cases of asthma and Bronchitis as lead me to believe it can rarely fail to cure those diseases."

FOR CROUP—Give an emetic of antimony, to be followed by large and frequent doses of the Cherry Pectoral, until it subdues the disease. If taken in season, it will not fail to cure.

ure. WHOOPING-COUGH may be broken up and soon cured by the use of CHERRY PETTORAL.

THE INFLUENZA is speedily removed by this remedy
Numerous instances have been noticed whore whole families
were protected from any serious consequences, while their
neighbors, without the CHERRY PETTORAL, were suffering

rom the disease. Salem, Onio, 11th June, 1851.

Doctor J. C. Ayle: I write to inform you of the truly remarkable effects of your CHERRY PECTORAL in this place, and in my own family. One of my daughters was completely cured in three days of a dreafful Whooping-Coughty taking it. Dr. Means, one of our very best physicians, freely states that he conciders it the best remedy we have for pulmonary discases, and that he has cured more cases of Croup with it than any other medicine he ever administered.

Our clergyman of the Baptist church says that during the run of Influence has could scarcely have believed without seeing. Yours, respectfully. SALEM, Onto, 11th June, 1851. Yours, respectfully, J. D. SINCLAIR, Deputy Postmaster.

From the distinguished Professor of Chemistry and Materie Medica, Boudoin College. Medica, Boudoin Cottege.

I have found the CHERK PETORAL, as its ingredients show a powerful remedy for colds, and coughs, and pulmonary diseases.

PARKER CLEVELAND, M. D. BRUNSWICE, ME., February 5, 1847.

DR. VALENTINE MOTT, DR. VALENTINE MOI1,
The widely-celebrated Professor of Surgery in the Medical
College, New York city, says:
"It gives me pleasure to certify the value and efficacy of
"Ayer's Cherry Pectoral," which I consider peculiarly adapted
to cure diseases of the Throat and Lungs."

Fig. Cures of severe diseases upon the Lungs have been effected by CHERKY PECTORAL in such extreme cases as warrant the belief that a remedy has at length been found that can be depended on to cure the Coughs, Colds, and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it.
